

ThinkPad T14s Gen 6 (Intel)

Designed for professionals on the move, the next-generation AI PC delivers seamless productivity with Intel® Core™ Ultra processors, enabling superior multitasking, energy efficiency, and AI-accelerated workloads. With Intel vPro®, IT teams can ensure enterprise-grade security and remote management, safeguarding data and updating devices from anywhere. Whether you're delivering client presentations, analyzing real-time market data, or collaborating across time zones, the integrated Intel® Arc™ 130V/140V GPU ensures smooth performance, sharper visuals, and faster rendering. Copilot+ PC features, such as Cocreator, generate AI-powered visuals in seconds, while Live Captions break language barriers for effortless global communication. Windows Studio Effects enhances video calls with AI-driven clarity, perfect for remote negotiations or virtual boardrooms.

Redefining possibilities with powerful performance and groundbreaking on-device AI

ThinkPad T series laptops offer professional-grade durability, powerful performance with good processors, ample memory, and fast SSD storage. They feature robust security features and long battery life for productivity on-the-go.

Enhance productivity with a 14" WUXGA (1920 x 1200) display, delivering sharp visuals and optional multi-touch for seamless navigation. Optional 3M™ DBEF5 technology optimizes brightness efficiency, while Eyesafe® Certified 2.0 minimizes blue light exposure, ensuring comfort during extended work sessions.

The 58Wh battery delivers extended uptime for uninterrupted work, while Intel® Wi-Fi® 7 enables ultra-fast, reliable connections. Upgrade to 5G WWAN for secure, high-speed access to cloud applications and virtual meetings anywhere.

Designed for mobile business professionals, this laptop delivers the perfect balance of performance and portability. Weighing just 1.31 kg (2.89 lbs) and measuring 16.9 mm (0.67 inches) thin, it easily fits into any briefcase or carry-on.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..
